121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 497

Resolve, To Study the Feasibility and Effectiveness of Providing Consumers with Consumer Reports on Health Care Services

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LAFOUNTAIN O'NEIL		

LD 497, a resolve, proposes to establish a commission to study providing consumers with information on the cost and quality of health care services in order to reduce the cost of health insurance by encouraging consumers to be better purchasers of health care services.

LD 497 has been carried over to the Second Regular Session, although related provisions were incorporated into Public Law 2003, chapter 469. See summary of LD 1611.

LD 556

An Act To Establish New Standards for Credit Reporting

PUBLIC 118

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LAVERRIERE- BOUCHER	OTP-AM	H-117

LD 556 proposed to prohibit consumer reporting agencies from using more than one social security number for a consumer on a credit report. The bill also requires that consumer reporting agencies clearly disclose to consumers their procedures to enable a consumer to correct inaccurate information contained in a credit report.

Committee Amendment "A" (H-117) proposed to replace the bill. Like the bill, the amendment proposed to require that consumer reporting agencies clearly disclose to consumers their procedures to enable a consumer to correct inaccurate information contained in a credit report. The amendment also proposed to give consumers the right to request a free copy of their credit report once during a 12-month period. The cost of additional copies may not exceed \$5 per copy.

Enacted Law Summary

Public Law 2003, chapter 118 gives consumers the right to request a free copy of their credit report once during a 12-month period and specifies that the cost of additional copies may not exceed \$5 per copy. The law also requires that consumer reporting agencies clearly disclose to consumers their procedures to enable a consumer to correct inaccurate information contained in a credit report.
