121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 629

An Act To Increase the Collection of Child Support

PUBLIC 224

<u>Sponsor(s)</u> SIMPSON PENDLETON	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-194
---	-----------------------------------	------------------------------------

LD 629 proposed to require the reporting of the hiring of independent contractors to the Department of Human Services in order to locate people who should be paying child support and to verify their ability to pay. Those required to report would be the State and any employer who contracts with the State. All employers are currently required to report their new employees; this bill proposed to extend the reporting to some independent contractors whose hiring would otherwise not be reported to the Department of Human Services.

Committee Amendment "A" (H-194) proposed to clarify that the State is required to report, in the same manner as the State is required to report information about newly hired employees, the information concerning persons who work for the State under contract. Similarly, contractors with the State and their subcontractors must report the information for independent contractors. In these situations, the date of birth of the contractor or subcontractor is not required to be reported. In addition, the contractor's or subcontractor's taxpayer identification number may be substituted for the contractor's or subcontractor's social security number.

Enacted Law Summary

Public Law 2003, chapter 224 requires the reporting of the hiring of independent contractors to the Department of Human Services in order to locate people who should be paying child support and to verify their ability to pay. Those required to report are the State, any employer who contracts with the State, and their subcontractors.

LD 657

An Act To Repeal the Forest Products Antitrust Exemption

PUBLIC 46

<u>Sponsor(s)</u> SMITH W MARTIN	<u>Committee Report</u> OTP	<u>Amendments Adopted</u>
--	--------------------------------	---------------------------

LD 657 proposed to repeal the antitrust exemption for marketing, producing or trucking pulpwood or saw logs.

Enacted Law Summary

Under current law contracts and trusts formed for the sole purpose of manufacturing, producing, refining or mining a product may constitute an illegal restraint of trade or conspiracy. Current law exempts from these provisions associations organized for the sole purpose of marketing, producing or trucking pulpwood or saw logs. Public Law 2003, chapter 46 repeals those provisions.
