Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

LD 677 was carried over from the First Regular Session and proposed to authorize a General Fund bond issue in the amount of \$6,000,000, to be used by LifeFlight of Maine to develop the expansion of Maine's existing dedicated air-medical response system through constructing additional hospital helipads, building additional refueling facilities, acquiring training equipment and purchasing helicopters and to meet other costs in order to ensure greater and more rapid access to health care for severely ill or injured persons especially from rural hospitals and communities.

MARTIN	ONTP	

LD 716 was carried over from the First Regular Session and proposed to provide necessary funding to reimburse the State's two freestanding, nonprofit psychiatric hospitals for services provided to indigent patients when these expenses can not be reimbursed by the Medicaid or Medicaid Disproportionate Share programs. The bill also proposed to provide funds to meet shortfalls projected at Augusta Mental Health Institute and Bangor Mental Health Institute. Of the \$18,000,000 sought for fiscal year 2003-04, \$10,000,000 was projected to be needed for the two freestanding, nonprofit psychiatric hospitals and \$8,000,000 was needed for AMHI and BMHI. The figures were based on preliminary estimates of the Department of Human Services.

The bill also proposed to require the Commissioner of Human Services and the Commissioner of Behavioral and Developmental Services to continue to work with these hospitals to advocate for the elimination of the federal cap on disproportionate share funds that are available for institutes for mental
