121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Business, Research and Economic Development

House Amendment "A" to Committee Amendment "A" (H-110) proposed to change the effective date of the bill from September 24, 2004 to June 19, 2005.

Enacted Law Summary

Public Law 2003, chapter 107 changes the membership of the Plumbers' Examining Board by substituting a local plumbing inspector who has been engaged in plumbing inspections for at least 4 years and is employed by a municipality for one of the journeyman plumbers currently on the board. The law takes effect on June 19, 2005. The law should be read in conjunction with Public Law 2003, chapter 446 which also affects the composition of the Plumbers' Examining Board.

LD 688 **An Act To Provide Incentives for Municipalities To Adopt a Building Rehabilitation Code** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KOFFMAN MARTIN	ONTP	

LD 688 proposed to provide that a municipality that adopts the rehabilitation component of a nationally recognized building code must be given preference for economic development grants administered by the Department of Economic and Community Development.

This bill was worked in conjunction with LD 1025, which concerned adoption of statewide codes and was carried over.

LD 692 **An Act To Protect Consumer Privacy Rights** **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCKEE TREAT		

LD 692 proposes to prohibit the denial of goods or services to an individual because the individual refuses to provide a social security number and to exempt from this prohibition those circumstances in which current law provides for collection of social security numbers.

The committee reported out the bill with a divided report, including a majority Ought Not to Pass report and a minority Ought to Pass as Amended report. The minority report proposed to clarify that current state or federal law allowing collection of social security numbers would not be affected by the bill, and proposed to exempt financial institutions from the bill. The bill was later recommitted to the committee, which voted to carry the bill over beyond adjournment of the First Regular Session.
