121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

H-128

Under current law, if a defendant in a civil or criminal adjudication fails to pay a fine or any other costs or fees assessed or imposed against the defendant, including appointed counsel fees and restitution, the court may fine the defendant in civil contempt and suspend any license, certification, registration, permit, approval or other similar document evidencing the granting of authority to hunt, fish or trap or to engage in a profession, occupation, business or industry issued by the State to the defendant.

LD 701 proposed to expand current law to allow the court to suspend the right of the defendant to apply for a license or permit. LD 701 proposed to limit the amount of the fine that may be imposed for civil contempt to \$500 and specify the manner in which the notice of suspension must be provided to the defendant. A defendant whose professional license has been suspended may have the license reinstated by paying the fine imposed by the court plus a fee of \$35.

Committee Amendment "A" (H-128) proposed to delete from the bill the proposed authority of the court to suspend the right to apply for a license or permit for nonpayment of a court fine or other assessment. It also proposed to delete the requirement that a \$35 reinstatement fee be paid before certain suspended licenses can be reinstated after paying all court fines.

Enacted Law Summary

Public Law 2003, chapter 193 amends current law to allow the court to suspend the defendant's license or permit if the defendant fails to pay a fine or any other costs or fees assessed or imposed against the defendant. It also limits the amount of the fine that may be imposed for civil contempt to \$500 and specifies the manner in which the notice of suspension must be provided to the defendant.
