121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 726**An Act to Eliminate the Maine Sales Tax on United States Flags****ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

LD 746**An Act To Adopt a Streamlined Sales and Use Tax Agreement That Allows for Local Option Taxes****CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LEMOINE STANLEY		

LD 746 is a concept draft that proposes to adopt the model sales and use tax proposal adopted on November 12, 2002 by the national Streamlined Sales Tax Project. The Streamlined Sales Tax Project is a multistate effort to simplify state sales tax laws so that they are more comprehensible to consumers and easier to administer by retailers, including mail order and Internet retailers. Under the model act, states would retain the right to determine whether to tax any item and to set the rate of tax, as well as the right to authorize local option sales taxes. The model act would make consistent among participating states the definitions of items, and each taxing jurisdiction would have only one tax rate rather than multiple rates for different taxable items.

LD 753**An Act To Facilitate the Application Process for the Maine Residents Property Tax Program****ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EDER	ONTP	

LD 753 proposed to lengthen the period for filing for the Maine Residents Property Tax Program. Claimants could file between August 1st and April 15th of the following year.

The bill also proposed to require the Bureau of Revenue Services within the Department of Administrative and Financial Services to advertise and promote the program.
