Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

disease, or for other federal reforms that would ensure adequate federal funding for the population served by these hospitals. Similar provisions for prior fiscal years were enacted in Public Law 2001, chapter 559, Part X, sections 9 and 10.

LD 791

**An Act To Fully Fund Retirement Benefits for Game Wardens
and Marine Patrol Officers**

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAGGETT MILLS, P	ONTP	

LD 791 was carried over from the First Regular Session and proposed to appropriate funds needed to fully fund the liability for the increased value of services rendered by game wardens and marine patrol officers between August 31, 1984 and September 1, 2002. In 2001, a special retirement plan was created for game wardens and marine patrol officers, but the liability to the retirement system created by the increased value under the plan for service rendered prior to September 1, 2002 was not funded. The dollar amount provided in the bill was an estimate based on the amount that would have been required if the full payment had been made on July 1, 2002. The amount would need to be updated with an actuarially determined amount in order to fully fund the liability so that the increased benefits would become payable to game wardens and marine patrol officers.

LD 908
