121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 787 **An Act To Limit the Damages Recoverable in Accidents Involving Snowmobile Clubs' Trail-grooming Activities** **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAVIS P CARR		

LD 787 proposes to limit the liability of a snowmobile club to \$100,000 for damages resulting from an accident incident to the club's trail-grooming activities.

LD 798 **An Act To Amend the Abortion Consent Laws** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GILMAN O'BRIEN J	ONTP MAJ OTP-AM MIN	

LD 798 proposed to amend the laws governing informed consent to abortion to require the attending physician to provide the woman with certain information orally and in writing at least 24 hours prior to performing an abortion. It further proposed to amend these laws to require that this information include the probable gestational age and anatomical development of the fetus at the time of the abortion; the physical and psychological risks associated with abortion and the abortion technique to be performed, in view of the patient's own pregnancy, including risks identified in a pamphlet that the Department of Human Services, Bureau of Health would be required to publish and distribute to doctors; and the name of the physician who would perform the abortion.

Committee Amendment "A" (S-194) was the minority report of the Joint Standing Committee on Judiciary. It proposed to replace the bill.

It proposed to provide an exception from the required provision of specific information at least 24 hours before an abortion for a medical emergency. The amendment proposed a definition of "medical emergency" that tracks the definition in Pennsylvania law and means a condition that, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of a pregnant woman so as to necessitate the immediate termination of her pregnancy to avert her death or for which a delay will create serious risk of substantial and irreversible impairment of a major bodily function.

The amendment proposed to allow the attending physician to delegate the responsibility to provide the required information to a physician assistant, nurse practitioner, registered nurse, licensed practical nurse or social worker.

The amendment proposed to include in the list of required information the medical risks of carrying the fetus to term. It also proposed to add an appropriation. (Not adopted)

Senate Amendment "A" (S-230) proposed to remove the appropriation section from Committee Amendment "A" and require the Department of Human Services, Bureau of Health to publish the pamphlet required by the committee amendment within existing resources of the bureau. (Not adopted)
