### 121st Maine Legislature First Regular Session

#### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

CRESSEY	ONTP	

LD 855 proposed to permit a property tax exemption to a nonprofit benevolent and charitable institution only if it donates or renders gratuitously a substantial portion of its services. The charitable organization could meet that standard in one of the following ways:

1. The institution could provide goods and services to all who seek them without regard to ability to pay;
2. The institution could provide goods and services for fees that are based on the recipients' ability to pay;
3. The institution could provide wholly gratuitous goods and services to least 5% of those receiving similar goods and services from the institution;
4. The institution could provide uncompensated goods or services that in the aggregate are equal to at least 5% of the institution's cost of providing goods or services; or
5. The institution could provide goods or services at no fee or a reduced fee to nonprofit agencies or individuals eligible for government programs.
