Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Joint Standing Committee on Labor

LD 880

Resolve, Directing the Department of Labor to Collect Certain Data Involving Retirees Receiving Social Security or Other Pensions **RESOLVE 111**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HUTTON	OTP-AM MAJ	H-633
EDMONDS	ONTP MIN	H-715 HUTTON

LD 880 proposed to eliminate the pension offset against unemployment benefits for persons who receive Social Security or other pensions, provided the person contributed at least 50% of the contributions to that pension. If the person contributed some amount to the pension, but not 50%, the offset would be made in proportion to the employee's contribution.

Committee Amendment "B" (H-633) proposed to clarify that a Social Security benefit is included among the category of pensions that are not offset against unemployment compensation benefits.

House Amendment "A" to Committee Amendment "B" (H-715) proposed to change the bill to a resolve directing the Department of Labor to collect data on the number of persons whose unemployment benefits are reduced as a result of the pension offset.

Enacted Law Summary

Resolve 2003, chapter 111 directs the Department of Labor to collect data on the number of persons who are affected by the so-called "pension offset" against unemployment benefits, i.e., the reduction of unemployment benefits for a person who receives Social Security benefits or certain other pensions or annuities. The Resolve requires the Department to report the data to the Joint Standing Committee on Labor by November 30, 2004.
