121st Maine Legislature First Regular Session

#### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Sponsor(s)	Committee Report	Amendments Adopted
TRAHAN	OTP-AM	H-195
HALL		

Under current law, when a person's parental rights are terminated, that person's obligation to support the child financially also terminates. LD 869 proposed to authorize a court to require a parent to contribute to the financial support of a child at the time the parent's parental rights are terminated. The amendment proposed that the court may order a lump sum payment if the parent was convicted of a crime against that child prior to the termination of parental rights. The amendment proposed that the court may include the requirement in the termination order. The amendment proposed that the court may direct that the payment be held in trust for the child, or may order any other protections necessary to preserve the payment for the financial support of the child.

**Committee Amendment ''A'' (H-195)** proposed to delete the last 2 sentences of the bill, which refer to holding a lump sum payment in trust and to the child support guidelines.

#### Enacted Law Summary

Public Law 2003, chapter 216 authorizes a court to require a parent to contribute to the financial support of a child at the time the parent's parental rights are terminated.

STANLEY	OTP-AM	MIN	

LD 886 proposed to require the State to pay a property owner when state regulations lower the owner's property value by at least 25%.

**Committee Amendment "A" (H-437)** was the minority report of the Joint Standing Committee on Judiciary. By March 1, 2004, the amendment proposed that the Legislature notify all property owners in the State of the laws and rules that have been identified as resulting in the devaluation of property.
