121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Enacted Law Summary

Public Law 2003, chapter 80 clarifies that a municipality lacking an organized police department may contract with the State Police or a sheriff's department to enforce municipal ordinances and give the officers or deputy sheriffs the authority to enforce the ordinances.

LD 907 **Resolve, Directing the Department of Corrections To Develop a Plan To Improve Transitional Services for Sex Offenders and Sexually Violent Predators and To Improve Communications with Law Enforcement Agencies Regarding the Release of Sex Offenders** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ROTUNDO MAKAS	ONTP	

LD 907 proposed to direct the Department of Corrections to develop a plan to establish transitional services for sex offenders and sexually violent predators released from incarceration, including community support for housing and employment and necessary counseling and treatment, and to improve communications between the department and law enforcement agencies regarding the conditional release and discharge of sex offenders and sexually violent predators. The bill proposed that the Department of Corrections report to the Joint Standing Committee on Criminal Justice and Public Safety by May 1, 2003, and that the committee has authority to report out any necessary legislation to implement recommendations.

LD 917 **An Act Regarding the Sale of Weapons at Gun Shows** **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GERZOFSKY STRIMLING		

LD 917 proposes to close the “gun show loophole” by requiring that a national instant criminal background check be performed prior to the sale or transfer of a firearm at a gun show. The bill proposes to make a gun show operator responsible for any failure to perform a required background check and subject to a fine of up to \$10,000 for each such failure. The bill also proposes to require gun show operators to post signs at gun shows and notify exhibitors of the background check requirement and to provide unlicensed sellers and transferors with access to licensed sellers and transferors who would undertake the required background checks.
