#### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

#### LD 916

## RESOLUTION, Proposing an Amendment to the Constitution of Maine To Limit Present-home Property Taxes

**ONTP** 

Sponsor(s)	Committee Report	Amendments Adopted
DAVIS, G	ONTP	
PAMELA, PH		

LD 916 proposed to amend the Constitution of Maine to require the Legislature to enact a law that prohibits municipalities from increasing property taxes by more than the rate of inflation for the prior year if the property is owned and resided in by the same owner.

LD 920 An Act To Establish a Penalty on Gains from the Sale or Exchange of Land from Which Timber Has Been Harvested

**ONTP** 

Sponsor(s)	Committee Report	Amendments Adopted
KOFFMAN	ONTP	
DAGGETT		

LD 920 proposed to create a tax on gains from the sale or exchange of "land for timber harvesting." The tax would decline over a 10-year period and be related to the amount of gain as a percentage of the cost basis of the land. The tax would apply to land greater than 100 acres.

LD 937

# An Act To Require the Net Proceeds from the Sale of a Foreclosed Property To Be Returned to the Former Owner

ONTP

Sponsor(s)	Committee Report	Amendments Adopted
TWOMEY	ONTP MAJ	
	OTP-AM MIN	

LD 937, modeled on the foreclosure proceedings initiated by a mortgagee, proposed to require a municipality that forecloses on residential real estate to return the excess funds, after subtracting the tax lien, interest, fees for recording the lien, costs of mailing notice, court costs and any other expenses incurred in disposing the real estate. Notice of the availability of the excess funds would be provided to the former owner within 30 days of sale of the real estate or 180 days of the foreclosure, whichever is sooner. If the former owner failed to claim the excess funds within 36 months, the municipality would be required to remit the excess funds to the Treasurer of State for credit to the General Fund.

This bill would have applied retroactively to January 1, 2000, thus requiring any municipality that has availed itself of the tax lien foreclosure process since that date to return any excess funds to the former owner. See also LD 251.
