### 121st Maine Legislature First Regular Session

#### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

<u>Sponsor(s)</u> BUNKER CARPENTER		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-249

LD 1014 proposed to make several changes to the current licensing requirements for private investigators. The bill proposed to allow, under certain circumstances, a private investigator licensed in a state or territory that has a reciprocal agreement with Maine to conduct an investigation in Maine without a Maine private investigator's license. The bill also proposed to require a private investigative assistant to complete 1,700 hours of employment, under the supervision of a licensed private investigator and within 18 months of receiving an investigative assistant license, to be eligible for a private investigator's license. Additionally, the bill proposed to require that a licensed private investigator complete 40 hours of continuing professional education within each 2-year license renewal period, and clarify that use of a badge to suggest that a private investigator is a sworn peace officer of the State is unlawful.

**Committee Amendment "A" (H-249)** proposed to replace the bill. The amendment proposed to do the following:

1. Change the time when a private investigator's license may be renewed after initial licensure from every 2 to every 4 years and double the renewal fee to \$400;
2. Change the term of an investigative assistant's license from one year with a possibility of a 6-month extension to 2 years and double the fee to \$600;
3. Clarify that presentation of a badge by a private investigator or an investigative assistant to cause another person to believe that the private investigator or investigative assistant is a sworn peace officer is a Class D crime; and
4. Clarify that a private investigator or investigative assistant who contracts with a state law enforcement agency is bound by that agency's confidentiality obligations.
