121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

<i>CARRIED OVER PURSUANT TO HP 1212</i>	<i>Bills carried over to the 2nd Regular Session</i>
<i>CON RES XXX</i>	<i>Chapter # of Constitutional Resolution passed by both Houses</i>

LD 1017

An Act To Broaden the Scope of Driving to Endanger

ONTP

<u>Sponsor(s)</u> MARLEY		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
-----------------------------	--	---------------------------------	--	---------------------------

LD 1017 proposed to clarify that endangerment of bicyclists and pedestrians is included in the definition of driving to endanger. The bill proposed that in addition to other penalties, if the person endangered is a bicyclist or a pedestrian, the court shall suspend the driver's license for at least 30 days and impose a fine of not less than \$500 nor more than \$1,500, neither of which may be suspended. The bill also proposed to require that the driver attend and successfully complete a defensive driving course. The bill further proposed to prohibit bicyclists from riding a bicycle to endanger.

LD 1018

An Act To Clarify and Update the Laws Concerning the Types of
Transportation Vehicle Used To Transport Children

PUBLIC 293

<u>Sponsor(s)</u> MARLEY		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-333
-----------------------------	--	-----------------------------------	--	------------------------------------

LD 1018 proposed to enact definitions of "allowable alternate vehicle", "full service transportation provider" and "urban fixed-route transit provider" in Title 29-A, Chapter 19, Subchapter 4. This subchapter contains the requirements for school bus operation, equipment and inspection. It proposed to exempt vehicles meeting these definitions from certain school bus requirements.

Committee Amendment "A" (H-333) proposed to replace the original bill and to establish a definition of an "allowable alternate vehicle" to address an existing conflict between current state and federal regulations regarding transportation services for school children. The amendment proposed to authorize the limited use of allowable alternative vehicles for school transportation with specific exemptions from equipment standards for school buses. It also proposed to exempt certain vehicles used for the transport of children to nonschool-based Head Start facilities until January 1, 2006.

Enacted Law Summary

Public Law 2003, chapter 293 establishes a definition for an "allowable alternative vehicle" to address an existing conflict between current state and federal regulations regarding transportation services for school children. Chapter 293 authorizes the limited use of allowable alternative vehicles for school transportation with specific exemptions from current laws regarding equipment standards for school buses. The law also exempts certain vehicles used for the transport of children to nonschool-based Head Start facilities from the equipment, operator and inspection requirements applicable to school buses until January 1, 2006.
