121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1028

An Act To Restrict Use of Auto Dealer Plates

PUBLIC 496

<u>Sponsor(s)</u> MILLS P	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-429
------------------------------	-----------------------------------	------------------------------------

LD 1028 proposed to require the Secretary of State to reduce the number of dealer plates to one upon the renewal of a motor vehicle dealer license if the motor vehicle dealer sells fewer than 12 vehicles through retail sales in a 12-month period. It would also prohibit the Secretary of State from issuing that motor vehicle dealer a dealer plate for personal use. The bill also proposed that upon second application for license renewal, the motor vehicle dealer is required to return all dealer plates if the dealer sells fewer than 4 vehicles through retail sales in the previous year. The bill further proposed to require a fee of \$300 to be charged for each dealer plate issued for personal use.

Committee Amendment "A" (H-429) proposed to strike language from the bill requiring a motor vehicle dealer to pay a \$300 fee for each dealer plate issued for personal use. The amendment also proposed to prevent a motor vehicle dealer who is denied license renewal from reapplying for one year. It would also exempt a motor vehicle dealer who holds an auction business license from the provisions of the bill.

Enacted Law Summary

Public Law 2003, chapter 496 requires the Secretary of State to reduce the number of dealer plates to one upon the renewal of a motor vehicle dealer license if the motor vehicle dealer sells fewer than 12 vehicles through retail sales in a 12-month period and prohibits the Secretary of State from issuing a dealer plate for personal use. The law further requires that upon second application for renewal, a motor vehicle dealer must be denied renewal of the license if the dealer sold fewer than 4 motor vehicles through retail sales in the previous license year and prevents a motor vehicle dealer who is denied license renewal from reapplying for one year. This law does not apply to a motor vehicle dealer who holds an auction business license.

LD 1049

An Act to Allow Certain Women Recovering from Childbirth To Be Issued Temporary Handicapped Parking Permits

PUBLIC 431

<u>Sponsor(s)</u> FISCHER DAMON	<u>Committee Report</u> OTP-AM MAJ ONTP MIN	<u>Amendments Adopted</u> H-409
---------------------------------------	---	------------------------------------

LD 1049 proposed to authorize the Secretary of State to issue temporary disability placards to certain women who are recovering from childbirth. It would allow temporary placards to be issued for a period of three days in winter for natural childbirth, one week after cesarean section delivery and for a time determined by the patient's physician for a premature birth. It would also require the Secretary of State to provide hospitals with information to be given to maternity patients about the temporary disability placards.

Committee Amendment "A" (H-409), the committee majority report, proposed to limit the issuance of temporary disability placards to a period of one week after cesarean section delivery and to a time determined by the patient's physician for a preterm infant. The amendment also proposed to strike the language from the original bill that would require the Secretary of State to supply hospitals with information about the temporary disability placards.
