## 121st Maine Legislature First Regular Session

### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

An Act To Ensure Communication about Public Complaints against State Employees

**PUBLIC 230** 

Sponsor(s)	Committee Report	Amendments Adopted
LAVERRIERE-BOUC	OTP-AM	H-279

LD 1047 proposed to establish a procedure whereby a member of the public will be kept informed about a complaint made against a state employee. Under the proposed bill, the Department of Administrative and Financial Services, Bureau of Human Resources would be the liaison between the public and the agency in which the state employee works.

Committee Amendment "A" (H-279) proposed to replace the bill. Whereas the proposed bill would establish a liaison for public complaints for all state employees, the amendment proposed to ensure that each state agency establishes a policy that makes certain that complaints by the public against state employees are addressed by that agency. The amendment proposed to prohibit the release of confidential information that may not otherwise be released to the public.

### **Enacted Law Summary**

Public Law 2003, chapter 230 requires each state agency to establish a policy to ensure that complaints by the public against state employees are addressed by that agency. It prohibits the release of confidential information that may not otherwise be released to the public.
