### 121st Maine Legislature First Regular Session

#### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 1107 was a concept draft that would clarify eligibility for life insurance for a person who is retired from a position covered by a plan within the Maine State Retirement System and, after retiring, becomes employed in a position covered by a different plan within the Maine State Retirement System.

**Committee Amendment "A" (H-363)** proposed to replace the bill. It proposed that a person who has life insurance coverage as a retiree may purchase insurance as an active employee, provided that person pays the cost of the active employee coverage.

*Enacted Law Summary*

Public Law 2003, chapter 485 allows a member of the Maine State Retirement System who has life insurance coverage as a retiree, but who becomes reemployed in a position that qualifies for life insurance, to purchase active employee coverage at the person's own expense.

LD 1117 proposed to define a discharge of an employee as wrongful if it was in violation of the employer's written personnel policy.

**Committee Amendment "A" (H-265)**, the majority report of the committee, proposed to replace the bill. It proposed that an employer that provides a written personnel policy to its employees must provide certain information regarding the employees' at-will status if the employer wishes to treat the employees as at-will employees. If the employer provides a written personnel policy to its employees but does not include the proper notice, the employer must comply with the procedures and standards set forth in the personnel policy for employment termination.

**Committee Amendment "B" (H-266)**, which was not adopted, was the minority report of the committee and proposed to replace the bill. It proposed that the notice of at-will status that is currently required in the Department of Labor's Regulation of Employment Poster must be printed in a bold type-face that is larger than in the current poster printing.

**House Amendment "A" to Committee Amendment "A" (H-527)** proposed to replace the Committee Amendment with language specifying that the notice of at-will status that is currently required in the Department of Labor's Regulation of Employment Poster must be printed in a bold type face that is larger than in the current poster printing, beginning with the next reprinting of the poster.
