Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

**RESOLVE 109
EMERGENCY**

<u>Sponsor(s)</u> KANE EDMONDS	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-695
--------------------------------------	-----------------------------------	------------------------------------

LD 1341 proposed to direct the Department of Human Services to amend the rules regarding medical assessment for long-term care services reimbursed under the MaineCare program as they pertain to assessments for home health care services in order to streamline the process, eliminate unnecessary regulatory burdens and utilize appropriate assessment mechanisms being used for other purposes or programs. The rules were proposed to be designated as routine technical rules.

Committee Amendment "A" (H-695) proposed to add emergency language to the resolve. It proposed to direct the Department of Human Services to adopt rules regarding medical assessment for home health care services under Rule Chapter 101, the MaineCare Benefits Manual, Ch. II - Section 40. The rules were proposed to allow the initial assessment period to move from no less than 60 days to no more than 120 days. The amendment proposed that the rule must be cost neutral. The amendment proposed to require a report by April 1, 2005. The amendment also proposed to change the title.
