Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Judiciary

This amendment proposed to retain the current interest rate for prejudgment interest for complaints filed prior to July 1, 2003, applying the new prejudgment interest rate only to complaints filed after July 1, 2003.

The amendment also proposed to provide an effective date of July 1, 2003. (Not adopted)

Enacted Law Summary

Public Law 2003, chapter 460 amends the judicial rates of interest to equal the one-year U.S. Treasury bill rate plus 3% for prejudgment interest and the one-year Treasury bill rate plus 6% for post-judgment interest. In actions involving a contract or note that contains a provision relating to interest, the rate set forth in the contract or note is the interest rate for prejudgment interest. For post-judgment interest, the rate of interest is the rate set forth in the note or the Treasury bill rate plus 6%, whichever is greater.

The new prejudgment interest rate applies to complaints filed on or after July 1, 2003. For actions in which prejudgment interest has begun to accrue prior to July 1, 2003, the prejudgment interest rate is 8% if the judgment does not exceed \$30,000. For verdicts over \$30,000, the prejudgment interest rate is the one-year U.S. Treasury bill rate plus 1%.

The new post-judgment interest rate applies to judgments issued on or after July 1, 2003.

Public Law 2003, chapter 460 was enacted as an emergency measure effective July 1, 2003.
