121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LAVERRIERE-BOUC	OTP-AM	H-182 S-109 BRENNAN

LD 1146 proposed to allow volunteer hours to count towards fulfilling the licensing requirements of a licensed clinical social worker if the hours are performed under the appropriate supervision and the applicant agrees in writing to follow the volunteer agency's rules of practice. This bill also proposed to allow graduates of an unaccredited social work or social welfare program administered by the University of Southern Maine to be licensed as long as the program is in the process of receiving accreditation.

Committee Amendment "A" (H-182) proposed to replace the bill. The amendment proposed to allow master social worker licensure of a graduate of a social work or social welfare program of an institution in candidacy for accreditation from the Council on Social Work Education or a successor organization. The amendment also proposed to add an emergency preamble and an emergency clause.

Senate Amendment "A" (S-109) proposed to repeal on July 1, 2005 the language that allows master social worker licensure of a graduate of a social work or social welfare program of an institution in candidacy for accreditation from the Council on Social Work Education or a successor organization.

Enacted Law Summary
