121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1229 **An Act To Provide School Vouchers to Students in Overcrowded Schools** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CRESSEY	ONTP	

LD 1229 proposed to create a school voucher program for students who live in households having an annual household income of \$30,000 or less and who attend public schools that have a student-to-teacher ratio greater than 20 to 1. If a student who is eligible for a school voucher chooses to leave a public overcrowded school to attend a public, private or religious school that has a student-to-teacher ratio less than 20 to 1, this bill proposed to require the State to pay \$3,000 to that receiving school towards the education of that student. Under the proposed bill, the remainder of the cost to educate that student at the receiving school would be paid by the sending school, up to an amount equal to the per-pupil costs at the sending school.

LD 1241 **An Act To Provide Tuition Subsidies for Students in High-growth Areas** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VAUGHAN	ONTP	

LD 1241 proposed to require the Legislature to annually appropriate funds to a school district that is experiencing high growth in student enrollment or that is facing a crisis of overcrowding, as determined by the Commissioner of Education, to allow an appropriate number of those students to attend another public, private or religious school to alleviate that overcrowding.
