121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1298

An Act To Penalize a Person Who is Habitually Late Making Child Support Payments

PUBLIC 396

<u>Sponsor(s)</u> MCNEIL DAMON		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-476
--------------------------------------	--	-----------------------------------	--	------------------------------------

LD 1298 proposed to penalize child support obligors who are habitually late making child support payments.

Committee Amendment "A" (H-476) proposed to amend department-specific language concerning license suspension for failure to pay child support. The term "compliance with a court order of support" would be replaced with "compliance with a support order" and the definition would be revised in the laws within the jurisdictions of the Department of Professional and Financial Regulation, the Department of Marine Resources and the Department of Inland Fisheries and Wildlife to be consistent with the new definition in the child support enforcement laws proposed in the bill.

Enacted Law Summary

Public Law 2003, chapter 396 penalizes child support obligors who are habitually late making child support payments. Under current law, an obligor must be at least 60 days late in making child support payments before the Department of Human Services starts proceedings to revoke driver's licenses, recreational licenses and occupational and professional credentials. Chapter 396 authorizes the department to start those proceedings when a child support obligor is only 30 days late in making child support payments if that obligor has been at least 30 days late in making payments at least twice during the past 24 months.
