121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Agriculture, Conservation and Forestry

Enacted Law Summary

Public Law 2003, chapter 282 increases the annual pesticide registration fee from \$115 to \$125 per product, to help fund the increased costs of salaries and benefits for staff to the Board of Pesticide Control.

LD 1407 An Act To Clarify the Timber Harvesting Notification Requirements PUBLIC 345

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRYANT	OTP MAJ	H-385 TRAHAN
PINEAU	ONTP MIN	

LD 1407 proposed eliminating an exemption to the harvest notification requirement. Under current law a landowner does not have to notify the Bureau of Forestry of a harvest when the total area harvested on land owned by that landowner does not exceed either 2 or 5 acres, depending on the residual basal area of acceptable growing stock. The bill proposed to repeal this exemption.

House Amendment "A" (H-385) proposed instead to retain the exemption when the landowner qualifying for the exemption performs the harvesting.

Enacted Law Summary

Public Law 2003, chapter 345 amends the provisions for harvest notification to specify that the exemptions for certain 2 and 5 acres harvests apply only when the landowner performs the harvest.

LD 1430 An Act To Improve Farmer Participation in the Agricultural Marketing Loan Fund PUBLIC 168

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PINEAU	OTP	
YOUNGBLOOD		

LD 1430 proposed changes to the provisions for obtaining a loan from the Agricultural Marketing Loan Fund administered by the Commissioner of Agriculture, Food and Rural Resources and the Finance Authority of Maine.

Enacted Law Summary

Public Law 2003, chapter 168 reduces the percentage of private funds needed to be eligible for a loan from the Agricultural Marketing Loan Fund from 10% to 5% of the total project cost. It increases the amount of project costs that may be covered by the State. It also directs the Commissioner of Agriculture, Food and Rural Resources to make a minimum of \$1,000,000 available from the Agricultural Marketing Loan Fund for loans to agricultural enterprises engaged in direct marketing. A similar provision was repealed December 31, 2002. The newly enacted provision has a repeal date of December 31, 2004.
