121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

The 12-month restoration right provided to a classified employee in the Maine Revised Statutes, Title 5, section 931, subsection 2, paragraph C would not be affected.

Enacted Law Summary

Public Law 2003, chapter 177 permits a classified state employee who leaves the classified service to serve in an appointive position to retain promotion, transfer and demotion rights in the civil service for the duration of that employee's appointment in the unclassified service. It does not have an impact on unclassified employees who were appointed from outside of State Government. In addition, it provides greater incentives for classified state employees to serve in long-term appointments to the unclassified service. This law has no effect on the 12-month restoration right provided to a classified employee in the Maine Revised Statutes, Title 5, section 931, subsection 2, paragraph C.

PUBLIC 207 **EMERGENCY**

Sponsor(s) Committee Report **MCLAUGHLIN** OTP ROTUNDO

Amendments Adopted

LD 1528 proposed to permit required rule-making notice to be given to recipients via electronic mail, so long as those recipients have agreed in advance that such a manner of notice is acceptable. Under the bill, it would be permissible to distribute copies of proposed rules in the same manner by agencies. As a result, the bill would provide agencies with another medium by which to distribute rule-making information and conserves paper resources.

Under current law, the written notice required in the agency rule-making process must be made by delivery or mail to statutorily specified recipients.

Enacted Law Summary

Public Law 2003, chapter 207 permits required notice to be given to recipients via electronic mail, provided that those recipients have agreed in advance that such a manner of notice is acceptable. It also permits copies of proposed rules to be distributed in the same manner by agencies. As a result, agencies are provided with another medium by which to distribute rule-making information that also conserves paper resources. Prior to passage of this law, the written notice required in the agency rule-making process was required to be made by delivery or mail to statutorily specified recipients.
