121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Amendments Adopted
H-557

LD 1567 was the report of the Maine Criminal Justice Information System, MCJUSTIS, Policy Board pursuant to Resolve 2001, chapter 45. It proposed to amend statutes to provide that each crime or civil violation has a unique statutory cite.

The bill proposed to make the changes effective July 1, 2004 in order to give district attorneys, the courts and others adequate time to update their charging instruments and computer systems.

Committee Amendment "A" (H-557) proposed to make changes to the bill to avoid conflicts with new laws and to correct errors in the bill.

It proposed to provide that the provisions concerning terminology for civil monetary sanctions take effect 90 days after adjournment of the First Regular Session of the 121st Legislature, while the rest of the bill as amended would take effect July 1, 2004.

This amendment also proposed to add a mandate preamble.

Enacted Law Summary

Public Law 2003, chapter 452 is the report of the Maine Criminal Justice Information System, MCJUSTIS, Policy Board pursuant to Resolve 2001, chapter 45. It amends civil and criminal violations throughout the statutes to provide a unique statutory cite for each violation.

The bill changes references to monetary sanctions authorized by law, including fines, forfeitures, penalties or surcharges imposed by the court for a civil violation, to "fine" unless the sanction is payable to an entity other than the State, in which case the sanction continues to be identified as a civil penalty. A general provision that indicates this change is added to Title 14

The provisions concerning terminology for civil monetary sanctions take effect 90 days after adjournment of the First Regular Session of the 121st Legislature, while the rest of chapter 452 takes effect July 1, 2004.
