### 121st Maine Legislature First Regular Session

#### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

DAGGETT COLWELL	OTP-AM	S-165

LD 1568 proposed to allow the court, in the most dangerous protection from abuse cases, to issue a temporary order that prohibits the defendant from possessing a firearm or other dangerous weapon.

**Committee Amendment "A" (S-165)** proposed to clarify the requirement in the bill that the court must provide notice to a plaintiff, before the plaintiff signs a protection from abuse complaint, that making a false statement under oath in a court document is a crime. This amendment proposed to clarify that the court may provide that notice orally or in writing.

***Enacted Law Summary***

Public Law 2003, chapter 372 allows the court, in the most dangerous protection from abuse cases, to issue a temporary order that prohibits the defendant from possessing a firearm or other dangerous weapon. It incorporates proven indicators of increased risk of death in domestic violence situations to help the court determine when it is appropriate to grant the permitted relief. It also provides the defendant with a prompt hearing and decision on a motion for dissolution or modification. It requires the court to provide notice, orally or in writing, to a plaintiff, before the plaintiff signs a protection from abuse complaint, that making a false statement under oath in a court document is a crime. Finally, chapter 372 requires a defendant to relinquish possession of firearms and specified dangerous weapons if the defendant is prohibited from possession in either a temporary or permanent protection order.
