Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

- CON RES XXX..... Chapter # of Constitutional Resolution passed by both Houses
- CONF CMTE UNABLE TO AGREE Committee of Conference unable to agree; bill died
- DIED BETWEEN BODIES..... House & Senate disagree; bill died

Four bills (LD's 1572, 1629, 1636 and 1637) that were considered at the First Special Session in August 2003 are also included in these summaries.

<u>Sponsor(s)</u> O'NEIL MAYO	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-772
-------------------------------------	-----------------------------------	------------------------------------

LD 1786 proposed to amend Articles 3-A and 4 of the Maine Uniform Commercial Code to include warranties concerning the responsibility for unauthorized telephone-generated checks. The warranties would be limited to items that are drawn on a consumer account and would not bear a manual signature. The language has been adopted by the National Conference of Commissioners on Uniform State Laws (NCCUSL).

Committee Amendment "A" (H-772) proposed to replace the bill by defining a new class of payment instrument, drawn on a bank customer's account without an authorized signature, and shifting the risk of loss for processing this instrument to the depository-collecting bank, which is in the best position to prevent its introduction into the check collection system.

Enacted Law Summary

Public Law 2003, chapter 594 amends Articles 3-A and 4 of the Maine Uniform Commercial Code to include warranties concerning "telephonic" and other checks that do not bear the consumer's signature. Chapter 594 shifts the risk of loss for processing this instrument to the depository-collecting bank, which is in the best position to prevent introduction into the check collection system.
