122nd Legislature
First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Education and Cultural Affairs

- 6. It increases the homestead property tax exemption to \$13,000 for all homesteads and provides 50% state reimbursement to municipalities.
- 7. It sets the ceiling on the Local Government Fund under state-municipal revenue sharing at \$100,000,000 in fiscal year 2005-06 and provides for future indexing of the ceiling according to the Consumer Price Index. This change increases the portion of state-municipal revenue sharing funds transferred to the Disproportionate Tax Burden Fund, also referred to as Revenue Sharing 2, which provides greater payments to municipalities with tax rates exceeding 10 mills.
