Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

BARSTOW SAVAGE	OTP-AM MAJ ONTP MIN	

LD 44 is a concept draft pursuant to Joint Rule 208 that proposed to reform the laws regarding county government in the State.

Committee Amendment "A" (H-494) replaces the concept draft and proposed to give the county commissioners the authority to establish a fee in their county when a similar fee does not currently exist in statute. The amendment proposed to allow county commissioners to increase any county fee by up to 25% without the approval of the Legislature provided that the fee is raised no more frequently than every 5 years. Fees for recording and surcharges paid to the registers of deeds and registers of probate may be raised only if 11 or more counties vote to raise those fees to a uniform amount. This Act would be repealed January 1, 2008.
