Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 73 proposed to prohibit the United States from owning or acquiring land in this State unless the ownership of the land is expressly authorized by the United States Constitution. It directs the Department of Administrative and Financial Services and the Department of Conservation to recommend to the joint standing committee of the Legislature having jurisdiction over property matters a procedure for transferring to the State all land that is owned by the United States and that is not authorized by the United States Constitution. The bill proposed to repeal sections of law that authorize the United States to acquire land in the State for national forests.

Committee Amendment "A" (H-27), which is the minority report, proposed to remove from the bill the section that would have set up a procedure to transfer existing federal property to the state of Maine. The amendment proposed to require that if the state congressional delegation and the Governor seek a congressional study for the formation of a national park, the study must be approved by 2/3 of all the voters in the communities included within and abutting the proposed park before the study can go ahead.

LD 85 **An Act To Establish Moxie as Maine's Official Soft Drink** **PUBLIC 136**
