122nd Legislature
First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

## *Joint Standing Committee on Insurance and Financial Services*

Part C of the bill proposed to establish the salaries of the members of the Maine Health Care Council and the executive director of the Maine Health Care Agency.

Part D of the bill proposed to prohibit the sale on the commercial market of health insurance policies and contracts that duplicate the coverage provided by the Maine Health Care Plan. It allows the sale of health care policies and contracts that do not duplicate and are supplemental to the coverage of the Maine Health Care Plan.

Part E of the bill proposed to impose a 5¢ per package increase in the cigarette tax beginning December 1, 2005. Proceeds from the cigarette tax increase are paid to the Maine Health Care Trust Fund.

Part F of the bill proposed to direct the Maine Health Care Agency to ensure employment retraining for administrative workers employed by insurers and providers who are displaced by the transition to the Maine Health Care Plan. It directs the Maine Health Care Agency to study the delivery and financing of long-term care services to plan members. Consultation is required with the Maine Health Care Plan Transition Advisory Committee, representatives of consumers and potential consumers of long-term care services and representatives of providers of long-term care services, employers, employees and the public. A report by the committee to the Legislature is due January 1, 2007.

The Maine Health Care Agency is directed to study the provision of health care services under the MaineCare, Medicaid and Medicare programs, waivers, coordination of benefit delivery and compensation, reorganization of State Government necessary to accomplish the objectives of the Maine Health Care Agency and legislation needed to carry out the purposes of the bill. The agency is directed to apply for all waivers required to coordinate the benefits of the Maine Health Care Plan and the Medicaid and Medicare programs.
