Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Criminal Justice and Public Safety

“promotes prostitution” the phrase “other than as a patron.” This change would treat the conduct of engaging a prostitute the same as promoting prostitution.

COMMITTEE AMENDMENT "A" (H-321) proposed to replace the bill and create a new Class C crime of patronizing prostitution of a minor. The amendment proposed that a person commits the Class C crime of patronizing prostitution of a minor if that person, in return for another's prostitution, gives or agrees to give a pecuniary benefit either to the person whose prostitution is sought or to a 3rd person, the person whose prostitution is sought has not yet attained 18 years of age and the person knows that the person whose prostitution is sought has not attained 18 years of age.

Enacted law summary

Public Law 2005, chapter 444 creates a new Class C crime of patronizing prostitution of a minor. A person commits the Class C crime of patronizing prostitution of a minor if that person, in return for another's prostitution:

1. Gives or agrees to give a pecuniary benefit either to the person whose prostitution is sought or to a 3rd person;
2. The person whose prostitution is sought has not yet attained 18 years of age; and
3. The person knows that the person whose prostitution is sought has not attained 18 years of age.

Under current law a person who operates a vehicle in a grossly negligent manner and causes the death of another person commits the Class A crime of manslaughter. If the person drives the vehicle with exactly the same kind of gross negligence but does not cause a death, the only crime available for prosecution is driving to endanger, a Class E crime, even if a person suffers significant and permanent injury. LD 232 proposed to increase the sentencing level to Class C and to impose a license suspension period of not less than 180 days and not more than 2 years if the State both pleads and proves that the criminally negligent driving caused serious bodily injury.

Committee Amendment "A" (H-578) proposed to incorporate a fiscal note.

LD 242 proposed to amend the Juvenile Code in the following 3 ways:

1. Create a new juvenile offense of violation of conditional release;
2. Amend the period of the statute of limitations for the crimes of gross sexual assault and unlawful sexual contact committed by juveniles. Current law limits prosecution to a period of 6 years for juvenile crimes that would be Class A, B or C crimes and 3 years for juvenile crimes that would be Class C or D crimes if committed by an adult. However, prosecution of offenses involving gross sexual assault or unlawful sexual contact if the actor is an adult and the victim is under 16 years of age may be commenced at any time. This bill proposed to allow prosecution of serious sexual offenses if committed by a juvenile at any time; and
3. Amend the standard of proof so that juvenile crimes involving illegal drugs or drug paraphernalia and those involving intoxicating liquor that, if committed by an adult, would constitute civil offenses, are established by a preponderance of evidence rather than proof beyond a reasonable doubt.

Committee Amendment "A" (H-114) was the majority report of the Joint Standing Committee on Criminal Justice and Public Safety and proposed to do the following:

1. Add the former crime of unlawful sexual contact under the Maine Revised Statutes, Title 17-A, section 255 to the list of sex offenses for which the statute of limitations is being repealed. Title 17-A, section 255 was repealed and Title 17-A, section 255-A enacted in its place pursuant to Public Law 2001, chapter 383;
