Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u> MOODY		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
----------------------------	--	---------------------------------	--	---------------------------

LD 256 proposed to require a court to issue summary process and find a person in contempt when the person has defaulted on a child support order.

**LD 260**                      **An Act To Amend the Laws Governing Mechanics Liens**                      **PUBLIC 311**

<u>Sponsor(s)</u> BERUBE		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-540
-----------------------------	--	-----------------------------------	--	------------------------------------

LD 260 proposed to amend the laws governing mechanics liens to require a lien claimant who has preserved a lien by filing an action in court to file a certificate or copy of the complaint in the registry of deeds within 30 days of bringing the action.

**Committee Amendment "A" (H-540)** proposed to replace the bill. It proposed to require mechanics lien claimants to file a notice in the registry of deeds within 60 days of filing a complaint in court to perfect the lien.

### *Enacted law summary*

Public Law 2005, chapter 311 amends the mechanics lien laws to require lien claimants to file a notice in the registry of deeds within 60 days of filing a complaint in court to perfect the lien. This notice will inform potential purchasers of the property that the lien claim has been perfected and that the property is subject to the lien. Failure to file the notice before a bona fide purchaser takes title to property will defeat the lien claim.

**LD 262**                      **An Act To Protect Pregnant Women from Acts of Violence**                      **PUBLIC 408**

<u>Sponsor(s)</u> DUPREY  MARTIN		<u>Committee Report</u> ONTP      MAJ  OTP-AM      MIN		<u>Amendments Adopted</u> H-682 PELLETIER- SIMPSON

LD 262 proposed to create the new crimes of murder, felony murder, assault, aggravated assault and elevated aggravated assault against an unborn child. The proposed punishment for these crimes is consistent with penalties for the same offenses committed against persons as defined in the Maine Revised Statutes, Title 17-A, chapter 9.

The proposed crimes against unborn children would not apply to an abortion to which the pregnant woman has consented, nor to acts committed pursuant to usual and customary standards of medical practice during diagnostic or therapeutic treatment. The proposed crimes would not apply to the pregnant woman.

**Committee Amendment "A" (H-647)** proposed to include a purpose and intent section to make clear that the purpose of the new chapter creating crimes in which an unborn child's death results is to provide appropriate
