Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

GREELEY	ONTP MAJ OTP-AM MIN	

LD 428 is a concept draft pursuant to Joint Rule 208 that proposed to establish a nonpartisan legislature by prohibiting a candidate for the Legislature from running as a member of a political party or having a party affiliation listed on the ballot. Primaries would still be held and the 2 candidates with the highest vote totals from each Senate or House district would run against each other in the general election. The prohibition would be phased in over an 8-year period by applying it to candidates for the 123rd through 126th Legislatures who are not members of the 122nd Legislature.

Committee Amendment "A" (H-194), which is the minority report, proposed to replace the concept draft with a resolve establishing the Commission for a Nonpartisan Legislature to conduct a study on the impact of a nonpartisan Legislature.
