Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 490

An Act To Eliminate the Offset for Social Security and Certain Other Pensions for Unemployment Benefits

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CAMPBELL	OTP-AM MAJ	
ANDREWS	ONTP MIN	

LD 490 proposed to eliminate the pension offset against unemployment benefits for persons who receive Social Security or any other pension or plan to which the individual made at least 50% of the contributions. As under current law, if the person contributed some amount to the pension, but less than 50%, the offset would be made after deduction of that portion of the pension that is directly attributable to the percentage of the contributions made to the pension by that person.

LD 493

An Act To Require That All Public School Employees Be Paid a Livable Wage Rate

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAVIS G	ONTP MAJ	
	OTP-AM MIN	

LD 493 proposed to require that all employees of school administrative units in Maine be paid at least a livable wage rate, which means an amount sufficient to meet the costs of the basic necessities of life. The bill also proposed to establish a method for future periodic updating of the livable wage amount and procedures for the distribution of targeted funds to ensure that no public school employee in Maine will be paid at a wage rate that is insufficient to meet the costs of the basic necessities of life.

Committee Amendment "A" (H-187), which was the minority report of the committee and was not adopted, proposed to require the State to fully fund the additional costs of raising school employees' rates of pay to the livable wage rate required by the bill.
