Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

It amends the definition of "potato" to include potatoes sold for processing into starch, and potatoes sold for processing into animal feed. It changes the minimum number of executive council meetings from 4 to 2 times a year. It authorizes the Maine Potato Board to undertake development and investment in infrastructure. It prohibits using revenue from the potato tax to undertake promotional activities of the Maine Potato Board and eliminates the requirement that the State Auditor conduct an annual audit of the Maine Potato Board. It specifies that the board must pay to the State Tax Assessor a sum representing the actual cost incurred by the State in collecting the taxes, except that the sum may not exceed 5% of the total tax collected annually.
