Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Criminal Justice and Public Safety

LD 530 **An Act To Prevent Convicted Felons from Possessing Firearms** **ONTP**

<u>Sponsor(s)</u> SAVAGE MCKENNEY		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
---	--	---------------------------------	--	---------------------------

LD 530 proposed to prohibit a person convicted of a felony from possessing firearms. Current law allows a person whose sentence has been completely discharged for at least 5 years to apply to the Commissioner of DPS for a permit to possess a firearm. This bill proposed to remove the commissioner’s discretion to grant such a permit to possess. Because the federal government prohibits possession of firearms by all felons but creates an exception for possession of antique firearms, the ultimate result of LD 530 would have been that the commissioner could no longer authorize an applicant to possess black powder long guns.

LD 534 **An Act To Clarify the Authority of the Maine State Police** **ONTP**

<u>Sponsor(s)</u> STRIMLING		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
--------------------------------	--	---------------------------------	--	---------------------------

LD 534 proposed to repeal the authority for the State Police to contract with municipalities to provide law enforcement services.

LD 542 **An Act To Encourage Greater Efficiencies in the Delivery of County Correctional Services** **ONTP**

<u>Sponsor(s)</u> DAMON BARSTOW		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
---------------------------------------	--	---------------------------------	--	---------------------------

LD 542 was a concept draft pursuant to Joint Rule 208.

This bill proposed to encourage greater efficiencies in the delivery of county correctional services using one or more of the following:

1. State funds for cost-benefit analyses and start-up expenses of innovative and cost-saving correctional facilities and programs, including those shared by 2 or more counties;
2. State financial incentives through the community corrections provisions of the Maine Revised Statutes, Title 34-A, section 1210-A for a county or group of counties that demonstrate an ability to reduce the cost of providing correctional services while maintaining the level of service required by state and federal rules, laws and constitutional requirements;
3. Reductions in existing legal, geographic, technological and other impediments to the more efficient delivery of correctional services, including, but not limited to:
