Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

time-consuming. Under the bill, benefits payable within each calendar month would be treated as a single award with interest to accrue only from the end of the month forward.

LD 546

An Act to Promote Responsible Contracting Practices on State Projects

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EDMONDS	OTP-AM MAJ	
DUPLESSIE	ONTP MIN	

LD 546 proposed to require an employer on a state project to possess a federal and state tax identification number, be bonded, carry liability insurance and follow state requirements for unemployment and workers' compensation insurance. The bill further proposed to require the employer to provide its employees health insurance that is Dirigo Health or the equivalent of that of state employees and construction industry safety training as provided by the United States Department of Labor, Occupational Safety and Health Administration, and to participate in an apprenticeship program or equivalent training program to train construction workers.

Committee Amendment "A" (S-112), which was the majority amendment of the committee and was not adopted, proposed to replace the bill and change the title of the bill. The amendment proposed to provide that, in collecting information from employers and determining the prevailing rate for health insurance, the Department of Labor, Bureau of Labor Standards must assume that an employer pays costs for health insurance at a rate that is either the median rate for small group health insurance, including Dirigo Health, or at the rate the employer actually pays for health insurance, whichever is higher. This amendment also proposed to add an appropriations and allocations section.

LD 569

An Act To Correct an Inequity in Calculating Maine State Retirement Benefits

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MAYO	ONTP	
HUTTON		

LD 569, a concept draft pursuant to Joint Rule 208, proposed to correct an inequity in current law, which provides that if a person receives disability benefits while a Maine State employee, the receipt of those disability benefits has an adverse effect on how that person's retirement benefit will be calculated. The bill proposed to calculate a person's Maine State Retirement System benefits to eliminate this adverse effect.
