122nd Legislature First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Joint Standing Committee on Health and Human Services

LD 584 An Act To Encourage Long-term Care Insurance and Expand Eligibility for MaineCare

ONTP

Sponsor(s) Committee Report Amendments Adopted
MILLS P ONTP

LD 584 proposed to provides an exemption to the estate recovery procedures for a MaineCare recipient who resided in a nursing facility or assisted living facility and who used long-term care insurance under specific circumstances. The policy of long-term care insurance would have been approved by the Superintendent of Insurance and would have paid for benefits in a nursing facility or assisted living facility licensed in the State in an amount equal to or greater than \$125 per day or the full cost of care in the facility, whichever is less. The insurance would have paid for care for a time period of at least 2 years or until the death of the recipient, whichever occurred first. The bill proposed to direct the Department of Health and Human Services and the Superintendent of Insurance to adopt routine technical rules to implement the exception.

See PL 2005, chapter 12, section DDD-10.
