Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 626 proposed to require a municipality that forecloses on residential real estate to return the excess funds, after subtracting the tax lien, interest, fees for recording the lien, costs of mailing notice, court costs and any other expenses incurred in disposing of the real estate. Notice of the availability of the excess funds would be provided to the former owner within 30 days of sale of the real estate or 180 days of the foreclosure, whichever is sooner. If the former owner fails to claim the excess funds within 36 months, the municipality would be required to remit the excess funds to the Treasurer of State for credit to the General Fund. The bill proposed to require any municipality that has availed itself of the tax lien foreclosure process since January 1, 2000 to return any excess funds to the former owners.

Committee Amendment "A" (H-590), a minority report of the committee, proposed to require a municipality to place a notice in a newspaper of general circulation containing certain financial information related to the sale of a foreclosed property when the municipality experiences a net gain of \$10,000 or more from the sale.

This bill, and its adopted amendment, were carried over on the Special Appropriations Table by S.P. 640 to the next special or regular session of the 122nd Legislature.
