First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

## Joint Standing Committee on Transportation

Part E requires the calculation and transfer of statewide savings in the Highway Fund from savings in the cost of health insurance for fiscal years 2005-06 and 2006-07.

Part F provides one-time funding to the Office of Program Evaluation and Government Accountability for the review of departments and agencies that are funded by the Highway Fund.

Part G uses \$2,000,000 of the anticipated \$8,150,000 increase in the funding of the Urban-Rural Initiative Program for funding municipal sand and salt storage facilities on a one-time basis for fiscal year 2005-06 and fiscal year 2006-07. This Part also directs the Department of Transportation, in conjunction with the Department of Environmental Protection, to investigate and submit a report to the Joint Standing Committee on Transportation whether environmental and health benefits of constructing some or all Priority 3 sand and salt storage facilities outweigh the cost of such construction.

Public Law 2005, chapter 36 was enacted as an emergency measure effective April 1, 2005.

**LD 763**

### An Act Regarding the Collection, Use, Verification and Storage of Social Security Numbers

**PUBLIC 250**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JACOBSEN COURTNEY	ONTP MAJ OTP-AM MIN	H-368

LD 763 proposed to require an applicant for a driver's license to provide proof of citizenship or documentation that the applicant is a legal resident in the United States. This bill also proposed to require the Secretary of State to notify the United States Department of Homeland Security, United States Citizenship and Immigration Services if an applicant fails to provide such proof.

**Committee Amendment "A" (H-368)**, the committee minority report, replaced the bill and proposed to require the Secretary of State to collect, store and verify the social security numbers of all applicants for driver's licenses or nondriver identification cards. The amendment also proposed to prohibit the Secretary of State from issuing a driver's license or nondriver identification card to a person who does not have a valid social security number unless the person provides written proof to the Secretary of State that the person is ineligible to receive a social security number.
