First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

SULLIVAN BEAUDETTE	OTP-AM	S-161

LD 1010 proposed to permit social workers licensed as of the effective date of Public Law 2003, chapter 429, which extended a 96-hour consultation requirement to all social workers, to fulfill this 96-hour standard by counting consultation hours that were obtained prior to September 1, 2004 from a licensed social worker in a group setting regardless of the group size. As of August 2, 2004, the Board of Social Worker Licensure required that the consultation must be provided either individually or in a group of not more than 8 members.
