122nd Maine Legislature Second Regular Session

Summary of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Joint Standing Committee on State and Local Government

Enacted law summary

Resolve 2005, chapter 133 directs the Intergovernmental Advisory Commission to establish a working group to examine the feasibility of, and develop an appropriate design for, a county government capital improvements revolving loan fund that would make available financial assistance to counties for construction and repair projects. The working group must include representatives from associations of county commissioners, registers of deeds, sheriffs, jail administrators and municipal officers as well as the Maine Governmental Facilities Authority. The working group shall report its findings to the joint standing committee of the Legislature having jurisdiction over state and local government matters by February 15, 2007.

LD 925 **An Act To Fairly Apportion the Cost of Sheriff Patrol Services** **ONTP**

<u>Sponsor(s)</u> BARSTOW		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 925 proposed to require county commissioners to calculate the budgeted cost of noncontracted sheriff patrol services in proportion to which those services are provided to municipalities and unorganized territories in the county. The bill also proposed to require that the routine provision of sheriff patrol services be subject to the terms of a contract with the municipality receiving these services.

LD 1003 **An Act To Establish the Androscoggin County Budget Advisory Committee and the Somerset County Budget Advisory Committee** **ONTP**

<u>Sponsor(s)</u> SNOWE-MELLO		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
----------------------------------	--	---------------------------------	--	---------------------------

LD 1003 proposed to repeal the existing process of adoption of a budget in Androscoggin County and in Somerset County and proposed to establish the Androscoggin County Budget Advisory Committee and the Somerset County Budget Advisory Committee.

Committee Amendment "A" (S-295) proposed to amend the dates to reflect the fiscal year beginning on January 1st. It proposed to reconvene the apportionment commission that conducted the apportionment in 2003 to reapportion Androscoggin County Commissioner Districts from 3 districts to 5 districts. The first election held in the new districts would be the statewide election on November 2006. The current Androscoggin County budget committee would be repealed September 15, 2007 and the Androscoggin County Budget Advisory Committee would take effect on the same day. The amendment also proposed to remove Somerset County from the bill so that the bill only affects Androscoggin County.

This bill was initially reported out with a majority OTP-A committee report. It was then recommitted to committee and subsequently reported out with a unanimous ONTP report.
