122nd Legislature
First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

LD 1193 proposed to expand on the education provisions currently in the Constitution of Maine to guarantee that if the State undertakes to support local schools it must do so in a way that equalizes opportunity for all children whether they live in service center communities or in rural areas.

It also proposed to prevent the State from taking any steps that would lead to the closure of isolated schools if the closure would force children under 12 years of age to spend more than 2 hours on a school bus or children 12 years of age or over to spend more than 3 hours on a bus.

It also proposed to guarantee every municipality the freedom to decide how its schools would be organized and proposed to permit the State to adjust its aid to account for any inefficiency that would result from those local decisions.

It also proposed to make clear that these rights extend to and are enforceable by every Maine taxpayer.
