Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1286 **An Act To Require Additional Disclosure Regarding Private Mortgage Insurance** **PUBLIC 211**

<u>Sponsor(s)</u> RICHARDSON J SULLIVAN		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-309
-----------------------------------------------	--	-----------------------------------	--	------------------------------------

LD 1286 proposed to require supervised lenders and mortgage brokers to disclose to persons applying for a mortgage on residential real property if the mortgage loan includes private mortgage insurance and if the company processing the loan application also engages in the business of private mortgage insurance.

Committee Amendment "A" (H-309) proposed to narrow the scope of the bill to require disclosure to mortgage loan applicants of the fact that the company processing or underwriting the loan application also engages in the business of private mortgage insurance. The amendment also proposed to clarify that the failure to provide the disclosure does not affect the validity or enforceability of the mortgage loan.

Enacted law summary

Public Law 2005, chapter 211 requires supervised lenders and credit services organizations to disclose to persons applying for a mortgage on residential real property if the company processing or underwriting the loan application also engages in the business of private mortgage insurance. The law also clarifies that the failure to provide the disclosure does not affect the validity or enforceability of the mortgage loan.
