Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Taxation

LD 1258 proposed to assess landowners in the unorganized territory a fee equal to .01% of equalized state valuation for the landowners' property. The revenue from the fee would be used to offset the cost of providing services, such as police and fire protection, game warden services and services provided by Department of Labor personnel, in the unorganized territory.

This bill was carried over by H.P. 1203 to the next special or regular session of the 122nd Legislature.

ONTP

------------------------------	--	---------------------------------	--	---------------------------

LD 1264 proposed to allow for a special estate tax election at the state level so that the estate of an individual with a surviving spouse may fully fund the taxable estate with an amount equal to the federal exclusion without changing the taxable nature of the estate for Maine purposes.

The provisions of this bill were included in the Part 1 budget bill, Public Law 2005, chapter 12, Part N summarized under the Joint Standing Committee on Appropriations and Financial Affairs.

LD 1301

An Act To Support Affordable Housing

ONTP

<u>Sponsor(s)</u> KOFFMAN		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 1301 proposed to allow a municipality, by local referendum, to impose a local option real estate sales tax of 1% on the sale of property for more than \$1,000,000. Revenue from the tax would be distributed by the municipality levying the tax to local nonprofit housing organizations for the purpose of building, buying or developing affordable rental and owner-occupied housing in the municipality for eligible individuals or families. An "eligible individual or family" is defined as an individual or family whose total adjusted gross income is less than 120% of the median income for the United States Department of Labor district in which the eligible property was sold. If the municipality has no local nonprofit housing organization, the municipality would send the revenue to the Maine State Housing Authority.

LD 1305 proposed an income tax deduction for the taxable gain on the sale of eligible timberlands held for at least a 10-year period beginning on or after January 1, 2005.
