Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Agriculture, Conservation and Forestry

Enacted law summary

Public Law 2005, chapter 422 establishes a rabies vaccination requirement for dogs independent of the dog licensing law. It establishes a late fee for failure to renew a kennel, pet shop or animal shelter license within 30 days of the license expiration. It prohibits the Department of Agriculture, Food and Rural Resources from issuing a license for a breeding kennel to a person convicted or adjudicated of animal cruelty violations. It makes abandonment a Class C crime if the animal dies as a result of abandonment. It makes it a Class D crime to abandon an animal at a veterinarian's office, boarding kennel, animal grooming facility or animal day-care facility and establishes a process for notification of an owner and disposition of the abandoned animal.
