122nd Maine Legislature Second Regular Session

Summary of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Enacted law summary

Private and Special Law 2005, chapter 69 directs the Department of Education to work towards expanding the number of adult education programs offering services to facilitate the successful transition to college to 30 sites over a 5-year period. The law directs the Department of Education to work with interested parties in developing criteria for selecting sites and specifies that 7 pilot programs currently in operation serve as a model for programs at additional sites. The law further directs the Department of Education to provide a progress report no later than January 15, 2007, and a final report by January 15, 2008, to the joint standing committee of the Legislature having jurisdiction over education matters.

The law deappropriates excess funds in the Homestead Property Tax Exemption Reimbursement program and in the Debt Service - Government Facilities Authority program and appropriates an additional \$4,200,000 in ongoing funding for the University of Maine System and an additional \$1,600,000 in ongoing funding for the Maine Community College System.
