Amendments Adopted

Section 1 of the bill requires all new applicants for concealed firearms permits, and Section 2 requires all renewing concealed firearms permit holders to show documentation that they have completed a firearms safety course that includes relevant state and federal law, basic defensive marksmanship, gun safety, civic responsibility, appropriate conduct while carrying a firearm and the moral and ethical issues surrounding the potential use of firearms as a means of self-defense.

Section 1 of the bill also removes current exemptions to the existing handgun safety course requirement for an applicant or holder of a concealed firearms permit who can personally demonstrate knowledge of the subject matter of the handgun course requirements and a person who received basic firearms training as a member of the Armed Forces of the United States. Applicants and permit holders who qualify for a permit under these 2 exemptions would have to take the new firearms safety course.

Section 3 of the bill directs the Department of Public Safety to adopt rules to establish requirements with specific components for a 6-hour instruction course in firearms safety.
